Jaycee Creed: *By C William Brownfield*

We Believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality; and that service to humanity is the

BEST WORK OF LIFE!

If reciting this creed is in any way uncomfortable for you, please stand with us in respect, but feel free to abstain.

History of the creed can be found at: <http://www.usjayceefoundation.org/founders/brownfield.htm>
