Jaycee Creed

by C. William Brownfield

We believe that faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can be best won by free men through free enterprise; that government should be of laws rather than of men;
That earth's great treasure lies in human personality; and that
SERVICE to HUMANITY IS THE BEST WORK OF LIFE

Words to remember....

Submitted by Laura Vieth, President

Back in June, my husband Chris and I were fortunate to take a vacation out in Boston. It was a great week - I got to see many historical things and places that up until then I had only read about in books. I stood at the graves of some of our founding fathers, I toured Paul Revere's home, and I stood in the aisle of the Old North Church.

One of the stops during our trip was the JFK library and museum. The museum is a beautiful place, and they do a great job conveying who John F. Kennedy was as a person and as a president. I know, you're asking yourself what the point of this story is - I'm getting to it!

I encountered two things at the JFK library that I believe relate to my Jaycee experience, both as a member and as 2005 President. One was in a room that was a recreation of Robert F. Kennedy's office. In this office was a plaque honoring Robert F. Kennedy as one of the "Ten Outstanding Young Americans" by the United States Jaycees (you may not know this, but both Robert and John F Kennedy are recipients of this award). This showed me just how much the Jaycees have meant to this country, and how much impact the Jaycees have had in recognizing and developing leaders in the last 79 years.

The other thing I remember vividly was a speech that was playing in a room commemorating Kennedy's commitment to sending a man to the moon. It was a speech he made at Rice University in September 1962. Although he used these words to describe the progress of the space program, the general spirit of this excerpt can be applied to any challenges that

a person may face today:

"We choose to go to the moon. We choose to go to the moon in this decade and do the other things, not because they are easy, but because they are hard, because that goal will serve to organize and measure the best of our energies and skills, because that challenge is one that we are willing to accept, one we are unwilling to postpone, and one which we intend to win, and the others, too."

All right, here's the part of my article where I actually make my point.... The Lansing Jaycees needs new leaders - people who are willing to make a commitment to take this organization through 2006, and build more leaders to carry on after that. I can't say it any more eloquently that John F. Kennedy did, nor will I try to.

Elections will be taking place at the November General Membership Meeting. It's critical that we have as many people attend this meeting as possible - we need ½ of the membership + 1 person for the elections to be official

If you wish to run for the 2006 Lansing Jaycee board of directors, please notify Jaimie Hutchison at jaimjohutch@hotmail.com, or Laura Vieth at lavieth@cmsenergy.com. If you have any questions about board positions, responsibilities, time commitments, etc., please contact me, and I would be glad to talk to you about it further.

Haunted House—it's finally here and we need your help

Submitted by Chris Vieth, Membership Development Vice President

Haunted House - Volunteers Needed!

It's here! October is finally here and with it, Haunted House.

We will be open on Oct 7,8,14,15,21,22,26-31. Hours will be from 7-11, with the exception of 10/26, 10/27, and 10/30; which will be from 7-10.

It's time to get fired-up and ready to show some pride! There are a lot of other projects in our chapter, where we can operate cafeteria-style... where you can pick-and-choose which ones you attend. But for haunted house, this is THE project... the one that finances our chapter and keeps us going as an organization. We need EVERYONE to help with haunted house.

We need at least 25 people each night to make the Haunted House come alive.

That being said, we need all of our members to do their best to set some time aside in October, and schedule some time to work at the house. You will have a lot of fun, you will get to meet some of your fellow members, and you will have stories to tell for years to come.

There are plenty of opportunities to work at the house. If you don't want to be a monster, let me know... there are plenty of other important roles you can play!

How can you help?

- Please email me at ccvieth@viethconsulting.com or call me at 930-3611 as soon as possible to let me know which nights you'll be able to work.
- If you commit to work on a particular night, write it down in your schedule and don't forget! Don't overbook your life and leave us with holes in our work schedule!
- If for some reason you find out that you can't make it, CALL ME IMMEDIATELY at 930-3611!!! We need at least 48 hours notice in order to fill the vacancy!!!
- You may think that your absence doesn't matter, but when 3,4,5 or 10 other people think the same thing... it causes a MAJOR PROBLEM. Trust me... it HAS happened...
- Bring a friend! You will be surprised how many people would be willing to join you out of curiosity! If everyone brought a friend with them, we would easily have a well-staffed house!
- Be flexible! If at this time your schedule is fairly open in October, let me know... you may be able to fill in a gap in the work schedule where we may be coming up short on help!
- Return phone calls and e-mails. If you receive a phone call from a committee member, please return it in a timely manner. We recognize that your time is valuable, please respect our time as well.

Dear Membership,

Elections for your 2006 Board of Directors will be held at the Annual Meeting during the General Membership Meeting, Tuesday, November 8, 2005 at Tripper's. The Board will serve 1/1/06-12/31/06. It is IMPORTANT that all eligible members cast their vote even if it is an uncontested election. A quorum (half of the membership plus one) must exist in order for the election to be valid. If you are not able to attend the meeting you may vote by proxy. A proxy form has been attached to this newsletter. Forms must be returned to Laura Vieth or Jaimie Hutchison prior to the election. If you would like to email one of us your proxy consent, you may do so before 7PM, November 8, 2005, but must also sign your form and return it ASAP. Even if you think you will attend the meeting, we suggest you fill out the form and send it JUST IN CASE! To be eligible to vote, you must be a member in good standing, which means that your dues must be current.

To date, there have been no nominations for the Board of Directors. If you are interested in running for a position on the Board of Directors, please send Laura Vieth or Jaimie Hutchison a letter of intent. Nominations may also be given orally from the floor starting at 7PM during the Annual Meeting prior to elections taking place. The nominee must be present and give consent to the nomination. After all nominations are heard, elections will continue until all present members have voted via written secret ballot.

Included below is a brief description of Officer positions available. Feel free to contact Laura Vieth with any questions, and please make every effort to be at the Annual Meeting on November 8th.

Sincerely,

Laura Vieth and Jaimie Hutchison

Individual Development

Things were quiet in August and September for Individual Development (ID) but we are hitting the ground running coming into the last quarter of the year. We have some really diverse events coming up.

Flag Football is being planned for Sunday, October 18. We'd like to get a group together to play and the plan is to even have a referee to make sure we play the right way. We'd also like to have a chili or soup potluck. For more information or to let her know your interest, please contact Kim Doughty at kdoug5@jcpenny.com.

Last year we didn't quite make it to Andy T's Farm in St. Johns but we want to give it another shot this year. We are looking at either Saturday, November 5 or Saturday, November 12. Please let Matt Wiitala (mtwiitala@hotmail.com) or Sheryl Soczek (ssoczek@mail.grandhotel.net) know which date would work better for you.

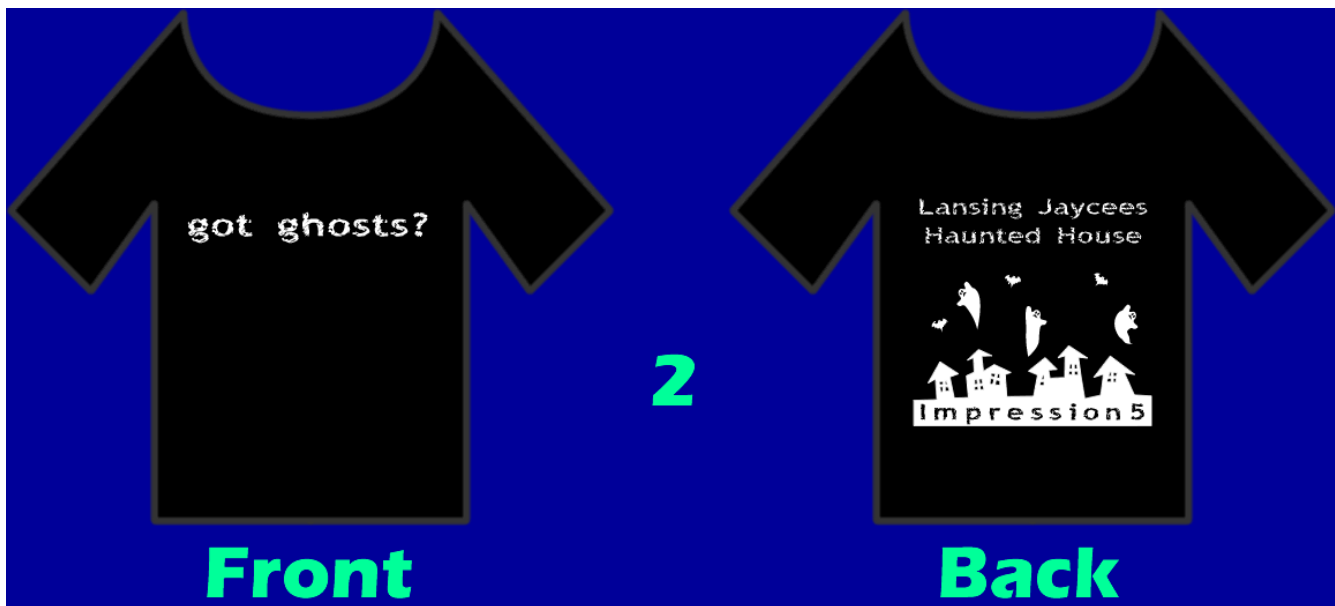

Would you like to paint kids faces but are concerned you might not do a good job? Well, there is a workshop being planned to work out those concerns. We have an opportunity to learn how to face paint and other things such as what paints are FDA-approved. For more information on this opportunity, please contact Jimi Carolan at jimicarolan@yahoo.com.

Finally, in November, we are planning another International Beer Night so be ready to sample a wide variety of beers. Aron Clark and Patrick Brazil are working out some ideas on where to have it and when so look for more details soon.

A word from our Community Vice President

Submitted by Tracy Prush

With all of this talk about Haunted House, who has time to think about community service? We do! Even though I know everyone is extremely busy putting up walls, decorating rooms, and preparing to scare customers, the community needs your help! Please contact Tracy Prush at tracy@prush.com or Jill Snook at jillybeanjks@yahoo.com if you are able to help out with any of these events.

Make A Difference Day - Make a Difference Day is a national day of helping others -- a celebration of neighbors helping neighbors. This year, this meaningful event will take place on Saturday, October 22. We are looking for ideas on ways the Lansing Jaycees can participate in this day. If you have any ideas, are willing to help make it happen, or just want to participate, please contact Tracy or Jill and let us know.

Raking Leaves for the Elderly - With the coming of fall comes the falling of leaves. Many of the elderly in our community are unable to rake leaves for themselves. This year, we are looking to begin a project where the Lansing Jaycees and other members of our community go out and rake leaves for the elderly. If you would like to help in planning this project, please contact Tracy or Jill.

Stuff the Bus - This December, the Lansing Jaycees would like to help as many families as possible have a fantastic holiday season. To do this, we are looking to plan an event called "Stuff the Bus" where the Lansing Jaycees will adopt a number of families in need, take a bus to a local store (probably Wal-Mart or Meijer), and ask shoppers to donate items to stuff the bus and give to families in need. If you would like to participate in this project, know of someone who could loan us a bus, or can help in any other way, please contact Tracy or Jill.

Once again, if you have any community projects you would like to see the Jaycees become involved in or would just like to become more involved in the community, (you guessed it!) please contact one of us. We would like to hear your ideas!

One-stop shopping event planned just in time for the holidays

Submitted by Kim Doughty

The "One Stop Holiday Shopping" event is back with your favorite in-home vendors all in one location for holiday shopping, birthdays, and all special occasions.

Some vendors include: Mary Kay, Tupperware, Pampered Chef, Creative Memories, Avon, Longaberger, and many more. The location, and date are to still be determined.

If you are interested in being on the Commit-

tee or helping out the day of the event (setting up tables, checking in vendors, etc.) please contact Kim Doughty @ kdoug5@jcpennney.com or call 517-980-0989.

This event brought in around \$800.00 for Toys for Tots last year, plus all the toys that were brought in as donations.
